Clarification on the checking and clearance processes for multi-storey trade fair stand as well as special superstructures and devices on stands. In order to ensure the safety to traffic on the trade fair grounds, the construction and operation of multi-storey trade fair stands as well as of special superstructures and devices on stands as described in more

detail under Para 4.2.1 of the Technical Guidelines can only be approved following checking, construction supervision and acceptance by an engineer for construction statics appointed by the Messe management. Charges for checks shall be borne in every case by the exhibitor. The basis for all stand structures is the NW construction order in its particular valid version.
